E21C invites consultees to its first public consultation meeting on the initial proposals for its new school...

Education for the 21st Century (E21C), the Multi-Academy Trust based in Bromley, would like to invite local residents, parents, businesses and all other interested parties to attend an initial public consultation meeting about the proposed plans for the new school.

This meeting will form the first stage of the consultation process for the build of the school and further meetings and engagements will take place accordingly.

This initial consultation will provide an update on the planning application process and status and give everyone an opportunity to provide feedback on the initial proposals for the site at this early stage. Members of the Trust and project

team will be on hand to answer any questions on the evening. The feedback received on the evening will be truly valued and will help to shape the proposals for the site going forward.

THE MEETING WILL BE HELD AT: St George's Church Hall, 7 Albemarle Rd, Beckenham, BR3 1AX on Wednesday, March 9 at 6.45pm.

Following this, further consultations will be held to discuss the next stages of the planning application process and we will keep everyone informed of when these meetings will take place.

As a Multi-Academy Trust currently running one large secondary and two primary schools, The Ravensbourne School, Scotts Park Primary

School and Mottingham Primary School, in the local area, E21C understands and witnesses the struggle for many parents and students living in the Bromley Borough and want to help alleviate this problem by creating this new school.

Paul Murphy, CEO at Multi-Academy Trust, E21C, comments: "This meeting will be an opportunity for all members of the community to hear an update on the plans and how the planning application process is coming along.

"It will also be a great chance for all residents, businesses, sports and recreational clubs, to come along and to raise any questions they have about our plans. We look forward to meeting you."

E21C invites you to

a public consultation meeting

for the proposed new secondary school
in Balmoral Avenue, Beckenham.

Wednesday 9th March 2016

6.45pm-9.00pm

St George's Church hall, 7 Albermale Rd, Beckenham, BR3 5HZ

Your opportunity to see the proposed initial plans for the school and give your feedback
